10 Sir:

11 In response to the Office Action dated December 16:

12 (1) Claims 23, 25-32 were cancelled.

13 (2) Claim 24 was cancelled and replaced by new Claim 35 which was rewritten in  
14 independent form including all of the limitations of the basic claim and any intervening  
15 claims.

16 (3) Fig. 29 is corrected so that it does not include no reference characters no mentioned in the  
17 description. On page 7, some of the reference characters (402, 405) are mentioned.

18 (4) New figures (Fig. 29 and Fig. 30) are described in the "BRIEF DESCRIPTION OF THE  
19 DRAWINGS" and included in the "DESCRIPTION OF THE ILLUSTRATED  
20 EMBODIMENTS".

21 (5) Remarks were provided, which shows how the newly added claim 35 avoids the  
22 references.

23 The applicant believes that the Examiner will now find the claims of this application  
24 allowable. Favorable reconsideration of the application is courteously requested.

25 Respectively submitted,

26 Chulhee Lee
